Reference: Letter from President, DFE&WT, No. 101/2024-25, dated 16/09/2024

Subject: 1) Request verification of stability aspects of two RCC Buildings in use by Darul Falah Educational & Welfare Trust for UK English Medium School, at Visapur, Tal. Dapoli, Dist. Ratnagiri
2) Structural Audit Report by Associated Consulting Engineers, Alibag dated 15/08/2024

Dear Sir,

With reference to structural audit report and related conclusion provided by reference 2 above for the buildings in reference 1 above, it is certified that buildings under consideration are fit for use as current occupancy as school building which were constructed in 2012.

The original design and drawings records of the structure/s were not available for inspection. Therefore, Structural Audit in reference 2 above was got carried out. Primary inspection reveals that requirements of then prevalent National Building Code and relevant IS Codes namely, IS 456, IS 1893, etc. appear to be followed.

Building may be used by school authorities at risk and responsibility of original structural consultant. It is hereby confirmed that statements made by Associated Consulting Engineers, Alibag regarding adequacy of structural safety are acceptable and structure is declared as fit for use as school building. Certificate is issued with reference to affiliation of school to CBSE, N. Delhi and shall be valid for 03 (Three) years with intermittent annual visual observation by structural auditor.
